

IN OUR VIRTUAL CLASSROOM...

I can join when I am ready.
I take breaks when I need them.

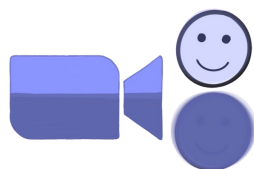

I will be kind and helpful to
everyone in my classroom
community.

I will listen to my body
and notice what it needs.

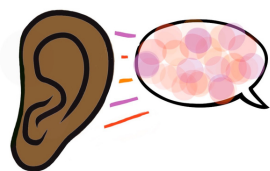

I can mute my mic so I can hear
what others are saying. I can
unmute my mic to share my
thoughts and ideas.

I can decide whether to turn
my video on and off.

I can share my ideas in many ways:
drawing, talking, typing, singing, or signing.
If someone else is sharing, I can raise my
hand to show that I'm ready to share.

Everyone is an important member
of our community. I practice listening
so I can hear the ideas of others.

I can eat or drink
if I am hungry or thirsty.

I have lots of ideas and this is a safe
place for me to share what I know
and what I'm still learning.
